Cooper & Turner China has been recognized as one the great 100 companies in Jiaxing, Zhejiang Province, China.

All the 100 companies share a commitment to being the best at what they do, providing stellar services to their customers, offering their people fulfilling, rewarding work and being vital members of their communities. They include some of the biggest and fastest growing companies in Jiaxing with many internationally recognizable brands.

At #32, up from #87 last year, they include Cooper & Turner, China.

Whilst we have achieved a stellar growth in sales and margin this year, we have focused on putting our people and our culture first” said Barry Piper, GM Asia, Cooper & Turner Beck. “Whilst many of the other 100 companies are giants compared to our revenues we are no less committed to building a better work place where our people can thrive whilst at the same time giving back to the communities in which we live and work.”
